Summit Pointe is an Equal Opportunity/Affirmative Action Employer

POSTING DATE: 07/01/10 REMOVAL DATE: Extension -7/23/10

Reasonable Accommodations: It is the policy of Summit Pointe to provide reasonable accommodation for otherwise qualified employees with disabilities and applicants for employment. A copy of the Summit Pointe EEO procedures related to Qualified Individuals with Disabilities and Veterans is available upon request.

Position: Community Tx Specialist Salary Range: \$15.86 - \$29.96

Key Responsibilities and Accountabilities:

Acts as a member of the Assertive Community Treatment Team (ACT). ACT is a set of intensive, clinical, medical, and psychosocial services provided by a mobile multi-disciplinary treatment team. The team provides basic services and supports essential to maintaining a customer's ability to function in community settings, including assistance with accessing basic needs through available community resources. ACT services are based on the principles of recovery and person-centered practice and are individually tailored to meet the needs of the customer. Services are provided in the customer's residence or other community locations. Facilitates customer independence by teaching independent living skills to prevent psychiatric re-hospitalization from a community-based approach which focuses on intensive monitoring of services. Oral medication administration, education, and monitoring as prescribed by agency physician. Provides education about mental illness to families of customers and the community. Collects data and monitors treatment plans and reviews clinical status. Performs on-call crisis support during office hours and during after-hours..

Qualifications and Capabilities:

- Master's Degree in Psychology (MA/LLP), Social Work or related field with Certification in the State of Michigan as a Licensed Social Worker (LMSW).
- Two years experience in psychology, social work or related field working with individuals experiencing chronic and persistent mental illness.
- Knowledge of psychotherapy, counseling, research methods, crisis intervention techniques, assessment and interview methods and behavior modification necessary.
- Must obtain training on the Basics of ACT Programs and Principles, through ACT specific training resources within 90 days of employment..

To Apply:

All applicants must submit an individual employment application and resume for this position to the Human Resources Office or via mail by the posting deadline. Applications received after the deadline may not be considered for this employment opportunity.

Employment offers may be contingent upon the results of a Michigan State Police check/fingerprinting, drug screen, and acceptable Michigan driving record. TB Tests are required within two (2) weeks of hire. Some positions require verification of an acceptable Michigan driving record.
