## ***Julie Denesuk, LLP***

Julie Denesuk holds Bachelor's Degrees in Public Administration and Social Work from Michigan State University and earned her Master's Degree in Clinical Psychology from Vermont College. In addition, Julie studied Cognitive Behavioral Therapy with the Beck Institute in Philadelphia, PA. She has also received training in Domestic Violence counseling, Neuro/Bio Feedback with EEG spectrum and has participated in BCIA certified trainings. As a therapist with Behavioral Health Resources for over 15 years, Julie has specialized in working with adults, children and families dealing with behavioral health issues. Her focus is treating anxiety, domestic violence, neurofeedback, biofeedback and Cognitive Behavioral Therapy. Julie's philosophy of care centers on assisting individuals in improving their quality of life.
