Michelle Oursler, LMSW

Michelle Oursler holds a Bachelor's Degree in Psychology from Michigan State University and a Master's Degree in Social Work from Grand Valley State University. She is a member of the National Association of Social Workers. Michelle's experience includes working in the residential setting and substance abuse counseling, as well as outpatient therapy. Her specialties include working with children, adolescents and families, substance abuse, depression, anxiety disorders and Cognitive Behavioral Therapy. As a therapist Michelle believes that it is essential to provide a full spectrum of services that meet the needs of each individual or family as a whole.
